What's New in the CoordiPoint?

- Easy to use interface - Set custom coordinate lines - 1-click alignment of 2-3 objects - Automatic scrolling of the coordinate lines - Export to CSV and Excel format - Word & Powerpoint support - Tips based help for quick start - Merged left and right hand side with an add button - Fully working in any system (Windows, Mac) Developer(s): Dibiú Alexandru Category: 2D Graphics Alessandro Serafini Alessandro Serafini (born 11 April 1967 in Casorate Primo) is an Italian prelate of the Catholic Church who has been the Bishop of Forlì-Cesena since 2016. Biography Alessandro Serafini was born on 11 April 1967 in Casorate Primo, in the province of Forlì-Cesena. He was ordained a priest on 13 July 1990, and then from 1991 to 2004 he completed his diaconate studies in Florence. On 12 September 2004 he was appointed the titular Bishop of Veli as Apostolic Administrator of the diocese of Cesena, leaving the seminary of Florence, where he had been studying. He received his episcopal consecration on the following 17 November from Cardinal Angelo Amato, with Cardinals Agostino Vallini and Paolo Romeo serving as co-consecrators. On 5 June 2008 Serafini was named as Vicar for Clergy of the diocese of Forlì-Cesena, covering the neighbouring diocese of Rimini. Pope Francis appointed Serafini as the Bishop of Forlì-Cesena on 12 April 2016. In the 2015, Serafini was a candidate for the Chairmanship of the Italian Episcopal Conference (CIC) and the Vice-President of the General Assembly of the Italian Catholic Bishops' Conference. In 2017, he published an anti-abortion text, in which he defends the defence of the life of the unborn as a Christian commitment, and opposes the possibility of abortion.
